Office Furniture & Design

HMU, LLC, a leading remanufacturer of office work stations in the United States, is pleased to announce the acquisition of Open Plan Systems. Open Plan Systems was one of the pioneers of remanufacturing Herman Miller AO2 systems in the mid 80's and has thousands of customers and an extensive base of remanufactured product through out the country.

Dean Williams, who founded HMU in 2001, quickly became a leader in this industry by combining his 30 years experience in the office furniture industry, embracing technology, investing in manufacturing equipment and the people to be able to produce a better product at a lower cost.

HMU, LLC is located in Richmond, VA occupying over 200,000 square feet of manufacturing / warehouse space with 120 employees. From 2001, sales have increased from \$500,000 to over \$20 million projected for 2008. Dean and Pamela Williams, the owners, look forward to working with the OPS family of dealers and employees.
