Dear Pamela,

Many thanks to our friends at HMU,LLC! At a time when hunger in our region is at a critical level, your food and fund drive brought much-needed contributions and awareness to help meet the tremendous local need and will provide 19,748 meals for the hungry in Central Virginia. Please find the enclosed Certificate of Appreciation, as a token of gratitude for your participation.

Last year we distributed nearly 15.5 million pounds of food and grocery products through our network of partner agencies. Our Community Kitchen produced more than 540,000 meals and snacks for our Kids Cafes and Summer Feeding Programs and more than 300,000 meals for our homebound Meals on Wheels recipients. In addition, during this school year, we will provide nutritious and easy-to-prepare food on weekends through our Backpack program to 1,500 children each week. The Food Bank's Mobile Pantry provides relief to hungry families in some of the most rural communities of our service area and currently makes 11 visits per month and distributed 245,000 pounds of food last year directly to those in need.

We could not do any of this without the help of the many businesses, churches, schools and other organizations which donated over 1.3 million pounds to the Central Virginia Food Bank this past year through community food drives. The success of your effort--and the generosity of those who participated--demonstrated that hunger relief is a priority, and HMU,LLC showed its commitment to the mission that we are all working together to feed more.

Sincerely,

Fay G. Lohr
